

# ALL TRUCK

to cut costs on All Farms

**There is an INTERNATIONAL pickup** for every pickup truck use. Eleven models — all available with automatic transmission, power steering. New ONE HUNDRED, easiest-to-drive in lowest-priced field, also offers tubeless tires, standard — optional overdrive transmission.

**All-truck medium-duty** INTERNATIONALS with combination stock rack and grain bodies cut costs on a variety of farm jobs. Choice of two high-economy engines. Power steering optional.

**For ranchers** and other big-acreage operators, INTERNATIONAL four-wheel-drive models provide money-saving stamina. Eight speeds forward, two reverse, permit operation almost anywhere.

**Farmers who use** INTERNATIONAL trucks rate them high in economy.

The reason is that INTERNATIONALS are built to take rough, rugged going. They are built by *specialists* in mechanized farm equipment. And they are *all-truck, husky and tough*, with no automobile parts or design compromises, anywhere.

INTERNATIONALS give you extra stamina, plus outstanding performance, easy handling, comfort and convenience. If you are in the market for a new farm truck, visit your nearby INTERNATIONAL Dealer or Branch and learn all the reasons why an INTERNATIONAL is your best truck buy.
